### Performance Steps

1. Brief command on the following title 10 mortuary affairs capabilities.

a. National Response Framework.

(1) Emergency Support Functions.

(2) Support Annexes.

(3) Incident Annexes.

b. DoDD 3025.18 Defense Support of Civil Authorities (DSCA).

2. Identify the following limitations on utilization of title 10 mortuary affairs assets.

a. Posse Comitatus Act.

b. 10 USC Ch 18 Sec 375.

c. Local and State Laws.

d. Jurisdiction.

(Asterisks indicates a leader performance step.)

**Evaluation Guidance:** Score the NCO a Go if they successfully complete all steps. Score the NCO a NO-GO if they fail to complete any step. If the NCO fails any step, show what they did wrong and how to do it correctly.

**Evaluation Preparation:** Use a predetermined site. Provide the NCO with required personnel and equipment to perform the task. If using mannequins for training purposes, ensure handling as if they are actual fatalities.

| PERFORMANCE MEASURES  | GO | NO-GO | N/A |
|---|----|-------|-----|
| 1. Briefed command on the following title 10 mortuary affairs capabilities.                 |    |       |     |
| a. National Response Framework.   |    |       |     |

**Environment:** Environmental protection is not just the law but the right thing to do. It is a continual process and starts with deliberate planning. Always be alert to ways to protect our environment during training and missions. In doing so, you will contribute to the sustainment of our training resources while protecting people and the environment from harmful effects. Refer to FM 3-34.5 Environmental Considerations and GTA 05-08-002 ENVIRONMENTAL-RELATED RISK ASSESSMENT.

**Safety:** In a training environment, leaders must perform a risk assessment in accordance with ATP 5-19, Risk Management. Leaders will complete the current Deliberate Risk Assessment Worksheet in accordance with the TRADOC Safety Officer during the planning and completion of each task and sub-task by assessing mission, enemy, terrain and weather, troops and support available-time available and civil considerations, (METT-TC). Note: During MOPP training, leaders must ensure personnel are monitored for potential heat injury. Local policies and procedures must be followed during times of increased heat category in order to avoid heat related injury. Consider the MOPP work/rest cycles and water replacement guidelines IAW FM 3-11.4, Multiservice Tactics, Techniques, and Procedures for Nuclear, Biological, and Chemical (NBC) Protection, FM 3-11.5, Multiservice Tactics, Techniques, and Procedures for Chemical, Biological, Radiological, and Nuclear Decontamination.
